Sfg-III-1 Edn(II) dated 13-11-13 Secretary to Govt 15-11-13

16 The following answers are suggested to the various points raised by the Comptr

(1) The Scholarships should be charged to the D-D Scholarships Fund. The question of the budget of the Fund is before the Dewan & I believe there is an opinion of the Fd Secy that no scholarships should be granted from the Fund this year, till a small debit balance is cleared off.

(2) The outfit allowance is granted under a Govt of 1910 & is meant to be in addition to the scholarship proper

(3) There is no harm in granting a small portion of the schp as an advance when the scholars are leaving India.

(4) The Subsistence allowance granted to Narasimmiengar should be borne by General Revenues & not by the D-D schp fund, following the precedent in Mr Yagna narayana Iyer's case. The allowance is necessary because Mr N is a Govt officer with a family & would not be granted to every scholar generally

(5) In the case of Narasimmengar the passage money from London to Berlin was perhaps unnecessary as his course of study was definitely decided before he left But if under Dr Colemans or the D Q E's instructions he actually went to London & thence to Berlin it would be unfair to ask him to bear the charge himself

17 Garalapuri Sastri has since decided to study in London for the present & the fare from London to Berlin is unnecessary.

Adverting to Government Order No 2196/Edn.346-12-5 of 22nd August 1913 sanctioning the grant of a scholarship of £200/- each per annum for three years to Messrs. S. Garalapuri Sastry B A. and B Narasimha Iyengar B.A. I have the honour to state that the Inspector-General of Education requested this office to issue instructions to the District Treasury to disburse to each of the scholars the amounts as under -

£55/- for passage money.

£25/- towards equipment

£120/- Advance out of the scholarship and

£ 5/-on account of passage from London to Berlin
(Vide copies of his letters Nos 2506/136 dated 23rd August 1913 and No 3265/184 dated 9th September 1913 enclosed)

2. In considering the admissibility of these payments, the following points rose for consideration in this office

(1) The Government Order under reference was not clear as to whether the scholarships were payable from the Damodar Doss fund or from State funds As in para. 5 it is required that

the agreement from the scholars should be in the form prescribed in Rule XIII of the rules for the grant of Damodar Doss Scholarships, the scholarship is taken to the debit of that fund pending further orders of Government in the matter

(2) The Government Order is silent regarding the grant of a sum of £25/- for purposes of equipment On the other hand while in para 2 of the Government Order it is stated that the scholars will not be given any further pecuniary help by Government, in para 3 of the Government Order No 2335-9/Fdn 297-09-34 of 8th September 1910 it is stated that a sum of £25/- on account of outfit is sanctioned in the case of all Damodar Dass scholars I solicit orders of Government whether in the present case Government intend that £25/- should be paid in addition to scholarship as required by the Inspector-General of Education

(3) As for the advance required by the Inspector-General of Education to be made in India, orders of Government are necessary as to whether the whole or any part of the scholarship may be paid in India before they start Rule VIII of Damodar Dass scholarship rules says that the sum of £200/- per annum is payable during their stay in England or elsewhere outside India ~~In~~ in such suitable instalments as may be recommended by the Inspector-General of Education so as not to exceed the amount given for the year

(4) As regards the grant of a subsistence allowance of Rs 50/- to Mr Narasimha Iyengar for the maintenance of his family in India during the period of his absence, the same is not comtemplated by the Damadar Dass scholarship rules and it is doubtful whether the same is chargeable to Damodar Dass fund or any other head to which the Government want the scholarship to be debited or to the Agricultural Department I think that the payment of this allowance is incidental to the training, and the use to which this amount may be put is immaterial and it

should

should therefore be viewed also as part of the scholarship this view of the case in addition to providing funds for the actual amount of scholarship, provision has to be found for this allowance also in the current year

(5) As regards the passage money of £5/- from London to Berlin which the Inspector-General of Education recommends to each of the two scholars, I beg to point out that the scholars are sent for study in Germany and as usual ~~rate~~ route to Germany is not via London it is not clear why the passage expenses should be paid to Berlin via London In the case of Mr Garalapuri Sastry however, Government have ordered that he should consult the Adviser of Indian Students and if Government want him to do so in person, passage charges to Berlin via London will be admissible Orders of Government are solicited as whether it is necessary to admit passage charges from Bombay to Berlin via London in either or both of the above cases

3 I request that early orders of Government may be communicated to me on the foregoing points to enable me to effect the needful adjustments in the accounts As it was not considered desirable to withhold payment till the points raised above were definitely settled the following payments have been arranged pending approval of Government and subject to such adjustment from future payment of scholarships as may be necesaary after receipt of Government orders

(1) £5o/- to each as advance on account of passage money

(2) £25/- to each on account of equipment

(3) Out of First year scholarship of £2CO/- £4C/- was paid at the Bangalore District Treasury to each as advance and the following further payments ordered to each at Messrs Coutts and Company

On landing in London	£4C/-
1st January 1914	£4C/-
1st April 1914	£4C/-

SIR

With reference to Government Order No 10767-9/Edn 346-12-10 dated 25th April 1914 directing the recovery from Messrs S Garalapuri Sastry and B Narasimha Iyengar of the passage money of £5 and the outfit allowance of £25 paid to them at Bangalore in connection with their foreign scholarships I have the honour to forward herewith for consideration of Government copy of letter dated 5th June 1914 from Mr Sastry praying that for the reasons stated in his letter, both the passage money and the outfit allowance may be sanctioned in his case In accordance with para 3 of Government Order No 2335-9/Edn 97-09-34 dated 8th September 1910 all Damodardoss scholars are granted an outfit allowance of £25 and as Mr Sastry's scholarship has since been debited to the Damodardoss Funds I recommend that the outfit allowance of £25 paid to him in conformity with the standing order of Government may be sanctioned

Reg D

As regards the passage money of £5, Mr Sastry states that he spent the amount in going to Belfast to interview the proprietors of a certain Soap Factory to make arrangements for his 2nd and 3rd year courses of study The result of the interview detailed by him in a separate letter will be made the subject of a separate communication to Government " At present I recommend that as the journey to Belfast was essential for settling his future course of study the passage money of £5 may also be sanctioned

16

With reference to para 3 of Mr Sastry's letter, I have the honour to state that out of the loan of £30 sanctioned to him in Government Order No 7800-2/Edn 168-13-6 dated 13th February 1914 sum of £5 has already been recovered from him, and his prayer to defer the recovery of the balance till his return to India may receive the kind consideration of Government

I request you to kindly obtain the early orders of Government in the matter, as arrangements for the payment of the 2nd and 3rd years' scholarships have to be made after the receipt of Government orders

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General

Letter dated 5th June 1914 from M S Varalapuri Sastry to the Inspector General of Education in Mysore

---

With ref to Govt letter dated
I have the honour to submit the following for your kind consideration with regard to -

(1) The five pounds I am asked to repay for not undertaking a trip to Germany I beg to point out that that amount has been utilized by me for going to Belfast with the object of interviewing the proprietors of the firm Messrs Alexander Inlay Ltd Soap Candle and Glycerine Works Victoria Square Belfast This trip was absolutely necessary and the results of my trip are embodied in a separate letter sent in herewith With my limited means I could not have afforded the visit to Belfast out of this £5 which was the balance of the £60 I drew for my travelling expenses

(2) With regard to the equipment money - to entry five pounds drawn by me - I beg to bring to your kind consideration that but for the Govt giving me the said amount it would have been impossible for me to equip myself for a foreign journey and it comes as a surprise to me that I should be asked to repay it at all As far as I can remember, the amount was not drawn as advance money Even as it is I find it extremely difficult with the present amount of scholarship to make both ends meet and in my straitened circumstances I see no way of paying it back

University life is costly here and the scholarship amount I get is inadequate to give me the full benefits of the College life here Under these circumstances I request the Government to kindly reconsider the case and grant

16

grant me the equipment none

(3) In connection with the loan I took from the Government of which £25 are to be paid out of my scholarship amount I beg that I may be allowed time until I get back to India so that I may not be put to great trouble for want of sufficient funds in a foreign countr

I hope you will kindly send instructions for the next two years scholarship to Messrs Coutts & Co in time so as to save me a lot of anxiet and trouble

Sir

With reference to your No 14324-5/1716 I beg leave to represent that it is extremely difficult for me to repay the equipment money of £25 even if it were distributed during the remaining eight instalments of my scholarship In addition to the above amount I have had to spend a considerable lot of money from my scholarship too to get the clothing necessary for this climate In fact having already fallen short of funds I had to apply for a loan of £40 which Government have been pleased to sanction in G O No 11899-901/Edn 383-13 dated 27th May 1914 and I have to repay this amount from my scholarship during the next two years If in addition I have to repay the £25 in question too, I do not know how to make both ends meet So I request you to kindly recommend to Government for the grant of the equipment money as usual

Since the expenses at the beginning of the academical year are usually heavy I request that the net amount of £180 during the next two years be distributed as follows - £75 on 1st October and £35 at each succeeding quarter of the year - and that instructions be sent to Messrs Coutts & Co accordingly in proper time

Trusting that both my above requests will meet with your favourable consideration

I beg to remain
Sir
Your most obedient servant
